“ When I started attending Faith Lutheran Church in Bismarck, I thought I would be going to yet another unfriendly church in town and would end up trying out another church. Vi was always one of the "Good ol Gals", who always offered a kind word or smile. I will always miss her kind words and helpful hands in one of the many projects needed to be done at the church. She is a gentle soul with a big heart!! God has a servant who will help take good care of all. God Bless to all her Family. Carolynn Johnson
