“Jewel, Myrna, Marlene, Wayne and Laurel - So sorry to get the message of Warren's death. I have notified several family members. We remember so much of the fun summers we spent as you visited us on the farm. Brother Gary especially remembers the fun laugh Warren had! It was so good that we were able to visit a few summers ago, Jewel, and that Mom was still alive to see you all. I know it was an effort of love since it was hard for Warren to get around. We appreciated it so much! Thank you all for the visits to Mom, too, while she was alive. It meant alot to her as well as all of us! God bless you all as you go through this difficult time.

“I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. Even Jesus confirms this promise at John 5:28,29 where he says that those in the memorial tombs will hear his voice and come out. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.
