“ My deepest sympathy to the whole family at this time. Wayne sat in front of me all the grades of school, at Washburn. He was S, for Schacher and I was T. , for Tweeten. He was always such a nice person, and class mate. He was quiet, and had a sweet smile. He watched out for his " little brother, David", and I can still see them walk up the hill on a cold winter day, all bundled up. He delivered bread to Borth 's Store when I worked there, and people were always met with a friendly word, and a nice smile. He was never too hurried to take time to visit a bit. He would talk as he would unload, and stock the shelves. Your Dad, your brother, your grandfather, your friend, will always be missed. Our class had our school reunion this passed summer, and Wayne came for awhile. It was great to see him, and I am so glad our class was together. My husband and I are in Australia now and I am sorry I cannot be at the funeral. My heart is with you, and our prayers are with you. We are sad. Betty Tweeten Peterson , and Lee Peterson and families.
