“ We are so very sorry to hear of your son. We didn't know him at all, but always heard lots about him from my classmate, Donna & Dennis. Losing a child is one of the worst days of a parents' life. May the Lord help and comfort you during this time. Just wanted you to know that your families are in our prayers.

“ Tammy and family, as you lay your beloved Wyatt to rest today, I have no words that can convey the sorrow I share with you at this most grievous time. Living so far away, I didn't get to see Wyatt very often, but what I remember from every visit was the shy little grin he always had and his quiet and polite demeanor. I cannot begin to imagine your loss. May the Lord give you comfort and peace. Love to all.

“ There are no words to describe or understand your loss. We loved Wyatt, that sweet sweet smile . His endless visits with my Grandson Josh, they were buddies. We only got a couple of good visits with Wyatt during our times in ND. I can see him walking hand and hand with Jesus now, and at peace.
